The most environmentally friendly Rifle ever!

- 3 years in the making! Our engineers have taken our traditional rifle shape and transformed it into a perfectly weighted and balanced piece of equipment.
- Why buy 2-3 rifles per season? The X-FACTOR rifle is the most advanced, **virtually indestructible** and **environmentally responsible** rifle in the world.
- Made from a molded Polyethylene Polymer allowing the X-FACTOR rifle to be **virtually unbreakable**.
- 100% Recyclable even the Leather Strap
- This Rifle will truly change everything you know about rifles from constant spin, no taping, easy cleaning and no replacing.
- Every X-FACTOR rifle is free from defects, identical in shape, size, color and weight.
- The first **maintenance free** Rifle.

...finally, a Rifle that could last you forever!

- **Customize** your X-FACTOR
- Available in 8 colors!
- The first Rifle in the world to have our exclusive **StylePlus** weight system!

Made in the USA!

LIMITED LIFE TIME WARRANTY

Exclusive StylePlus Weight System

- Easy to adjust the weight to your personal preference **without changing the balance point** of your rifle.
- Rifle weights come in 7 different increments so you can work your way up slowly or go to the specific weight of your choice. Simply add our adjustable weights that are hidden inside you rifle.
- Our X-FACTOR is so unique you can even purchase our 36" Lite version at 1.75 lbs and teach your youngest members easier and faster. *As your student learns you can add weights gradually all the way up to 2.25.*
- Maintains the same balance point.
